Welcome to **BRIGHTHILL FARM**

We are delighted and proud to launch our latest brochure which represents the next chapter for both Brighthill Farm and our stallions. To the fore in this chapter is the securing of Eminent to stand at the farm. To have the first son of Frankel in Australasia is a real coup and we are very grateful to Sir Peter Vela and the rest of the Eminent syndicate for entrusting us with this very high class racehorse and exciting stallion prospect.

We have had a memorable couple of years with our Champion Preferment and in that time we have seen him let down into a beautiful stallion. With his first crop of foals that have impressed in their likeness not only to their sire but also Zabeel himself. We have since seen his first foals go to sales both here and in Australia where they created a very positive impression with some of the best judges in the industry.

We look forward with great anticipation to the yearling sales this summer and then of course to see them on racetracks in the future. With an impressive first crop on the ground and 244 mares bred in the first two seasons Preferment is off to a tremendous start. This combined with the outstanding support of his owners and shareholders guarantees him a wonderful opportunity at stud.

The farm's ability to produce top class horses was well advanced in the last couple of seasons with the two Australian Group I winners Aloisia (Azamour) and Hiyaam both produced at the farm. Also in the same season we had Scott Base (Dalghar) 3YO Karaka millions winner. We are all very proud of the achievements of these horses.

We look forward with great optimism not only to the continued success of New Zealand horses internationally but also domestically. With the establishment of RITA and the future implementation of the Messara report we are seeing real changes to be optimistic about. This long overdue reorganisation of racing in New Zealand will help our racing scene grow and encourage local participation.

We look forward to breeding high quality horses with you the breeders that will be part of that reinvigoration as well as the continued success internationally.

Eminent's pre Derby track work at the legendary Epsom Racecourse

His two dominant wins in the Craven Stakes Gr.3 and the Deauville Prix Guillaume d'Ornano Gr.2 not only saw him beat Gr. I winners Rivet, Avilius and Brametot the French 2000 Guineas winner, but also win in impressive style. His Craven Stakes win was won in the fastest time in 40 years and the French win was in race record time both on good to firm tracks. His two Gr. I placing 4th in the Derby and 3rd in the Irish Champion Stakes were top quality runs and stamped him as a high class Three Year Old.

His class continued to be shown when he came to Australia in the hands of Olympic Champion Sir Mark Todd.

After a race day break of 6 months Eminent ran a brave and meritorious second to Avilius in the Gr. I Ranvet Stakes to beat Danzdzandance, Unforgotten, Egg Tart, Ace High, Shillelagh in a race field with eight Gr. I winners on unsuitable track conditions.
